

CoverMate Vanish XL/XLR/XLRP

Includes

- Made of strong glass reinforced nylon and non-corrosive, powder-coated aluminum components
- Low-profile positioning provides a near zero-obstructed view
- Hydraulic shocks provide effortless opening and closing
- Simple, quick, and easy installation
- Attaches to the cover using 3M liquid weld technology
- Vanish XLR works on most raised back spas, especially with Jacuzzi J425/435/445, Artesian Elite and Coast Spas
- Vanish XLRP works on 2020 Jacuzzi J475/485/495 models
