

# CoverShelf

---

## Includes

- Black powder-coated, rust-free aluminum construction
- Non- corrosive mounting brackets (8 screws each)
- Customers simply fold the cover, then push it onto the shelf
- Arms fold flat against spa when not in use
- Works well on most unconventional shaped spas
- 5-minute installation

- Must mount brackets **33 to 36 inches** apart from each other

## Dimensions

- ✓ Bracket: 7 ¾" L x 3 ¾" W (plastic) - same bracket as the SpaCaddy
- ✓ Arms: 18" x 32" - 2" diameter
